++ Valid for broadcast between 1800 and 0600

Headline:
Misty with drizzle overnight, brightening up on Sunday.

This Evening and Tonight:
Some clear spells in the south at first, otherwise a cloudy and misty night across the region with outbreaks of drizzle, and extensive fog across the hills. Minimum temperature 10 deg C (50 deg F).

Sunday:
After a cloudy and misty start with some drizzle in places, it should brighten up with some sunny spells developing. However, the odd light shower may develop on the hills. Maximum temperature 19 deg C (66 deg F).

Outlook for Monday to Wednesday:
Generally dry with light winds and spells of warm sunshine on Monday, but an increasing chance of low cloud on Tuesday and Wednesday. Warm inland but cooler along coasts.
